The key Geographical concepts are identified by colour. Each unit covers a range of graphical, map and numeracy skills.

MS = OS map skills

Red = Human Geog

Green = Physical Geog

Purple = Environmental

Blue = Investigative Geog

Orange = Links with Geology

Each unit has a final assessment that assesses the following skills. Knowledge recall, key vocab, math skills, graph skills, map skills and extended explanation. Command words used in GCSE exams are introduced to students through these assessments
