

15 September 2020

Dear Parent/Carer,

Please find overleaf some guidance to remind yourselves of the protocol of what to do if you suspect your child might have some of the symptoms of the Coronavirus. We all must act responsibly and ensure the health and safety of all students is at the forefront of our minds.

Break and Lunch arrangements

Please can I remind parents and carers that we are not currently providing catering facilities during break times. If possible please continue to provide your child with a break time snack. We are operating staggered lunchtimes. This necessitates some reduction to our canteen offer, with this operating primarily on a 'grab and go' basis. Cold food and drinks are available as normal, with a limited hot food offer.

Students must bring a water bottle and plenty of water with them to school. Although our water fountains are not currently in use as a COVID preventative measure, there are water stations at lunch times in the Ritchie and New Halls for students to safely replenish their water bottles.

Yours sincerely

Mr N D Owen
Principal

Covid-19 Related Absence from school – a Quick Guide for Parents/Carers

What should I do if?	Action needed ...
<p>My child is feeling ill with Covid-19 symptoms of:</p> <ul style="list-style-type: none"> • a high temperature – this means your child feels hot to touch on their chest or back • a new, continuous cough – this means coughing a lot for more than an hour, or 3 or more coughing episodes in 24 hours • a loss or change to your sense of smell or taste – this means your child cannot smell or taste anything, or things smell or taste different to normal. <p>Most children with Covid-19 have at least one of these symptoms.</p>	<p>DO NOT SEND YOUR CHILD TO SCHOOL.</p> <p>The whole household must self-isolate. Your child will need to isolate for 10 days from the start of symptoms; the rest of the household should isolate for 14 days.</p> <p>You should book a test for your child using this link here, or by phoning 119.</p> <p>Please note - <u>only</u> the person with symptoms should be tested and there is no need for others in the household to have a test, unless they also have any of the symptoms mentioned.</p> <p>Make sure you tell the school immediately about the result of the test.</p>
<p>My child is feeling ill with other symptoms such as a sore throat, runny nose or a headache.</p>	<p>You should act in the same way as you would have done before the pandemic. This may involve sending your child to school or keeping them at home, depending on the nature and severity of symptoms. Of course you should seek medical advice via your GP or NHS direct on 111 if you would normally do so.</p> <p>Please note – if your child has sickness or diarrhoea they should not return to school until 48 hours after the last bout of this, as is normal policy.</p>
<p>Someone in my household has Covid-19 symptoms</p>	<p>DO NOT SEND YOUR CHILD TO SCHOOL.</p> <p>The whole household must self-isolate and the person with symptoms should book a test using this link here, or by phoning 119.</p>
<p>Someone in my household tests positive for Covid-19</p>	<p>DO NOT SEND YOUR CHILD TO SCHOOL.</p> <p>The whole household should isolate for 14 days. The person who has tested positive must isolate for 10 days from the start of symptoms, and until there is no fever for 48 hours.</p>
<p>Someone in my household with symptoms tests negative for Covid-19</p>	<p>Your child can return to school, assuming they are well, and no one in the household or support bubble has any further Covid-19 symptoms.</p>
<p>My child tests positive for Covid-19</p>	<p>DO NOT SEND YOUR CHILD TO SCHOOL.</p> <p>Your child must isolate for 10 days from the start of symptoms, and until there is no fever for 48 hours. The rest of the household should isolate for 14 days.</p>
