

11 December 2020

Dear Parent/Carer,

I am writing to let you know that we have been made aware of two further members of our school community who have tested positive for Covid-19. One case is a student in Year 9 and one case is a member of staff. Their cases are not related. **No contacts have been identified as both individuals didn't attend school for the time period they were considered infectious.** Both individuals are now self-isolating and we wish them a speedy recovery.

The school remains open and your child should continue to attend as normal if they continue to feel well.

Please be assured that we continue to work closely with Public Health England and the Local Authority to inform them and follow their guidance to ensure the safety of both our students and staff.

Yours sincerely

Mr N D Owen
Principal
