Dear Parents and Carers

Essential Stationery Support and Collection of Curriculum Resources

The timing and length of this lockdown has meant that there are some curriculum resources that will need to be collected, in a safe manner, in order that our students can continue their curriculum learning to the very highest standard. We also recognise that some students may require a new exercise book as they complete their daily lessons.

We are happy to provide this support and we do need to carefully manage our supplies as well as balance any journeys that we ask people to make. We would like to invite **parents/carers (only)** to collect essential stationery such as exercise books if their child is nearing the end of theirs, or curriculum items if a teacher has contacted them. The date and time to attend for collection is noted below, items can be collected from the room to the right of the Reception (A17), you will not need to enter Reception.

Please adhere to government guidelines and make this part of your daily exercise and ensure you follow social distancing rules.
