

Longsands Academy and Sixth Form SEND Information Report 2022-2023

The purpose of this document is to inform parents and carers about:

- How we welcome students with special educational needs into our Academy and Sixth Form community.
- How we support them in all aspects of Academy and Sixth Form life and remove any potential barriers to achievement.
- How we work in close partnership with parents/ carers and children.

What kind of school is Longsands Academy and Sixth Form?

Longsands Academy is a fully inclusive secondary Academy for 11- 18-year-olds. We pride ourselves on providing an engaging and supportive environment in which our students feel empowered to reach and embrace their full potential with confidence.

What is our vision and what do we think is important at Longsands Academy and Sixth Form

At Longsands Academy and Sixth Form, we celebrate diversity and we cherish difference. Longsands Academy and Sixth Form are committed to the inclusion of students with additional learning needs and disabilities. We believe that achievement is gained through having an inspiring, caring and enriching academy experience and that all students should have equal access to a broad and balanced curriculum.

What are special educational needs and disabilities?

The SEN Code of Practice (2014) states that a child or young person has a special educational need or disability (SEND) if they have a learning difficulty or disability which calls for special educational provision to be made for him or her.

A child of compulsory school age or a young person has a learning difficulty or disability if he or she:

- Has a significantly greater difficulty in learning than the majority of others of the same age
- Has a disability which prevents or hinders him or her from making use of educational facilities of a kind generally provided for others of the same age in mainstream schools

What is the Local Authority Local Offer?

This is a resource developed by the Cambridgeshire Local Authority to signpost services and provision for young people with SEND in the local area.

How do we consult with parents of children with SEND and involve them in their child's education?

We aim for open and transparent communication and consultation with young people and their parents/carers. We prefer to meet and discuss things face to face, through pupil review meetings and other meetings as the need arises. Email can also be useful as it allows for clear communication which can be referred back to, as required.

Please contact the SENCo here: thomas.laud@astrea-longsands.org

How do we consult with young people with SEND and involve them in their education?

- Students with an EHCP have the opportunity to tell us what they think through the annual review

- Students are involved in writing their SEND information sheets, gathering their views through a key worker
- Students will be invited to meetings about them, and we will respect their views on how they wish to participate

How will the school know that its provision for SEND is effective?

We believe that regular monitoring and evaluation is vital to ensure effective SEND provision. The progress of students is regularly assessed and reviewed in order to determine the effectiveness of High Quality Teaching for students with SEND and any additional intervention programs

We do this in several ways including:

- Regular learning walks
- Analysis of the attainment and achievement of different groups of students with SEND
- Monitoring of EHCP outcomes
- Post 16 destinations of young people with SEND
- The views of parents and students
- Regular monitoring by the Academy Trust
- Scrutiny of the effectiveness of interventions, monitoring progress through reading and spelling ages etc.
- Monitoring of the pastoral and behavioural records of students with SEND
- Monitoring the procedures for the identification and assessment
- Frequent APDR meetings with students, which is shared with parents
