

September 2024

Dear Parent/Carer

I am writing to introduce myself as Head of Sixth Form. It was wonderful to welcome students to our Transition Day in July and we are looking forward to working with them this year. Our aim is to guide students to success and independence over the next two years. This success will be built upon strong and effective partnerships: the students with their teachers and form tutor; students and parents with the Longsands Sixth Form.

'Welcome to Year 12' Evening – Tuesday 24th September 2024

Year 12 is a key stage in your son/daughter's educational career, especially as students begin to plan for their long-term future. Increasingly, students will want to be independent and make their own decisions and choices, but they will still need advice and guidance from parents and teachers.

In order to help you support your son/daughter through the Sixth Form we will be hosting a 'Welcome to Year 12' evening on Tuesday 24th September. At this event you will be introduced to the Sixth Form team, receive valuable information about the Sixth Form and have an opportunity to ask questions. The meeting will commence in the New Hall at 6.00pm and will finish by 7.00pm, including an opportunity to speak individually to members of the Sixth Form team.

If you have any further questions, please do not hesitate to email me at callum.robertson@astrea-longsands.org or talk to a member of the Sixth Form team at the 'Welcome to Year 12' evening.

Yours sincerely

Mr C Robertson
Head of Sixth Form
