

Friday 25th October 2024

Dear Parents/Carers

Year 13 Mock Examinations

I am writing ahead of the Year 13 mock examinations. This series will be the first of two internal examination processes ahead of their final exit exams in the summer. Below is an outline of the key dates:

Monday 4th November – Friday 15th November 2024 : first set of mock exams

Monday 3rd February – Friday 14th February 2025 : second set of mock exams

During the upcoming exam period, students will be in school for these two weeks, this gives them the opportunity to focus on revision within classes. Our rationale for this decision is that the attendance for Y13 is lower than we need it to be at the moment.

Where students have vocational lessons (such as BTEC Sport and Health & Social Care), these coursework lessons will continue as normal, apart from where students have exams on that day.

To support the subject specific information, students have access to a wide range of supportive revision materials and independent study guidance:

- 'Revision Techniques That Work' booklet [Revision Techniques Booklet](#)
- Academic coaching booklet
- Past papers and mark schemes
- Regular spaced repetition of materials

If you have any further questions of a subject specific nature, please contact the relevant teacher. For more general questions, please contact myself as Head of Sixth Form, at Callum.Robertson@astrea-longsands.org or Mrs Carpenter, our Exams Officer, at Margaret.Carpenter@astrea-longsands.org.

Yours sincerely

Mr C. Robertson
Head of Sixth Form

Mock Examinations November 2024 Year 13						
			Morning		Afternoon	
Monday	4	Nov	Accounting	9.00 - 12.00	Geography P1 - Phys Systems	1.00 - 2.30
