Mr. Myhill-Johnson joined the Longsands Academy family in September as Lead Practitioner in History and has already made a fantastic impact. His passion for education, dedication to student success, and expertise in his field have been evident from day one. We are thrilled that he is now taking on this new leadership position.

Bringing with him a wealth of experience in senior leadership roles, Mr. Myhill-Johnson is committed to ensuring that our Sixth Form continues to grow and thrive. Under his leadership, we are confident that our students will receive outstanding support, guidance, and opportunities to excel in their studies and future aspirations.

We are also pleased to confirm that Mr. Simpson will continue in his role as Deputy Head of Sixth Form. His consistency and experience will be invaluable in ensuring a smooth transition and in driving the Sixth Form forward alongside Mr. Myhill-Johnson.

We look forward to seeing the Sixth Form go from strength to strength and know that this leadership team will play a pivotal role in its continued success. Please join us in welcoming Mr. Myhill-Johnson to his new role.
