

Weds 22nd January 2025

Dear Parents/Carers

Year 13 Mock Examinations - Thursday 30th January – Friday 14th February 2025

I am writing to provide important information regarding the upcoming Year 13 mock examinations. This is a key opportunity for students to demonstrate their progress and build confidence ahead of their final exams.

During the two-week exam period, students will attend school as usual, allowing them to benefit from structured revision sessions within their classes. Full attendance during this time will enable us to support your child in preparing for their exams. Engaging fully in lessons and revision activities ensures students have the best possible chance of success, and we are here to support them every step of the way.

The attached booklet includes subject specific guidance and a full exam timetable. Subject information for each mock exam includes:

- Paper titles
- Subject specification links
- Subject specific revision information (including links, textbooks titles, preferred home-learning activities and online resources)

To support the subject specific information, students have access to a wide range of supportive revision materials and independent study guidance:

- 'Revision Techniques That Work' booklet [Revision Techniques Booklet](#)
- Academic coaching booklet
- Past papers and mark schemes
- Regular spaced repetition of materials

If you have any further questions of a subject specific nature, please contact the relevant teacher. For more general questions, please contact myself as Acting Head of Sixth Form Michael.simpson@astrea-longsands.org or Mrs Lloyd, our Exams Officer Elizabeth.Lloyd@astrea-longsands.org

Yours sincerely

Mr Michael Simpson
Acting Head of Sixth Form
